

The Christian's Attitude Toward Judging

What does it mean to judge?

1. Judgments Must Be Made

Did Jesus forbid all judgments? What did He teach in Matthew 7:1-6?

What are some judgments Christians must make concerning others?

2. Some Judgments Must Be Avoided

What are hypocritical judgments? Why should they be avoided?

What are rash judgments? Why should they be avoided?

What are appearance-based judgments? Why should they be avoided?

What are merciless judgments? Why should they be avoided?

What are opinion-based judgments? Why should they be avoided?

What are final judgments? Why should they be avoided?

3. Judging With Righteous Judgment

Is there such a thing as “righteous judgment”?

What standard must you use in judging?

What must your motivation be in judging?

What must you do before you make conclusions?

How can you show patience and wisdom in judgment?

How can you show mercy in judgment?
