

The Radical Few

Lesson 1: Few Will Be Saved

What does Jesus say in Matthew 7:13-14?

1. God's People Have Always Been Few

How was Noah part of the "few"?

How was Lot part of the "few"?

How were Joshua and Caleb part of the "few"?

How was David part of the "few"?

How were Elijah and the 7,000 part of the "few"?

How were the undefiled in Sardis part of the "few"?

2. God's People Are Few Today

How are many invited, but few chosen?

How are many lost, but few saved?

How are many deceived, but few walk in truth?

How do many profess, but few obey?

How do many hear, but few do?

3. Becoming Part Of The Few

Why it is impossible to be part of the few without Jesus?

What does God require of you to be saved?

Why must you be part of Jesus' one true church?

4. God's People Are Radical

What does it mean to be "radical"?

How was Jesus Christ "radical"?

How will disciples of Christ follow His "radical" steps?
